

must include a representation that the moving party has tried in good faith, prior to filing the motion, to resolve the matter informally. The motion to compel shall include a copy of each discovery request at issue and the response, if any.

(c) If a party fails to appear for a deposition, after being served with a proper notice, or fails to serve answers or objections to interrogatories, requests for admission of facts, or requests for the production or inspection of documents, after proper service, the party seeking discovery may request that the Board impose appropriate rulings or sanctions.

§ 955.16 Interrogatories to parties, admission of facts, and production and inspection of documents.

(a) *Interrogatories to parties.* After an appeal has been filed with the Board, a party may serve on the other party written interrogatories to be answered separately in writing, signed under oath and returned within 30 days. Upon timely objection, the Board will determine the extent to which the interrogatories will be permitted. The scope and use of interrogatories will be controlled by § 955.15.

(b) *Admission of facts.* After an appeal has been filed with the Board, a party may serve upon the other party a request for the admission of specified facts. Within 30 days after service, the party served shall answer each requested fact or file objections thereto. The factual propositions set out in the request may be ordered by the Board as deemed admitted upon the failure of a party to respond timely and fully to the request for admissions.

(c) *Production and inspection of documents.* After an appeal has been filed with the Board, a party may serve on the other party written requests for the production, inspection, and copying of any documents, electronically stored information, or things, to be answered within 30 days. Upon timely objection, the Board will determine the extent to which the requests must be satisfied, and if the parties cannot themselves agree thereon, the Board shall specify just terms and conditions of compliance.

§ 955.17 Depositions.

(a) *When depositions permitted.* After an appeal has been docketed and complaint filed, the parties may mutually agree to, or the Board may, upon application of either party and for good cause shown, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purpose of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence.

(b) *Orders on depositions.* The time, place, and manner of taking depositions shall be as mutually agreed by the parties or, failing such agreement, governed by order of the Board.

(c) *Use as evidence.* No testimony taken by deposition shall be considered as part of the evidence in the hearing of an appeal unless and until such testimony is offered and received in evidence at or before such hearing. It will not ordinarily be received in evidence if the deponent is available to testify at the hearing, but the Board may admit testimony taken by deposition in its discretion. A deposition may be used to contradict or impeach the testimony of the witness given at the hearing. In cases submitted on the record, the Board may, in its discretion, receive depositions as evidence in supplementation of that record.

(d) *Expenses.* Each party shall bear its own expenses associated with the taking of any deposition.

§ 955.18 Hearings—where and when held.

If there is to be a hearing, it will be held at a time and place prescribed by the Board after consultation with the parties. At the discretion of the Board, hearings may be held in the Board's hearing room in Arlington, Virginia or may be held at another location with due consideration to the just, informal, expeditious and inexpensive resolution of each case.
